

Want to work with us?

Seeking Part Time Staff

We are looking for a part-time team member to join the Eden Café team. You will be trained in the role but some experience in a hospitality environment would be advantageous. You will be a fast learner and will be able to work efficiently and accurately with an attention to detail. You will use initiative to help support your colleagues and ensure our customers have the best experience possible when they visit us.

We are looking for someone who can work either weekend day (occasionally both) and who is available at least one weekday for a short shift after 3/3:30pm or a full or half day during the week. You must be able to work weekend hours.

Qualities required:

- Mature attitude with commitment to the role and to supporting your team.
- Motivation and good work ethic with a focus on excellent customer service.
- Efficient, focussed, able to multi task and use initiative.
- Sense of personal responsibility and professionalism in relation to the role with ability to take on board feedback. You will also need to be comfortable and confident with customers.
- Ability to operate calmly and efficiently under pressure, maintaining accuracy at all times.
- Excellent organisational and communication skills, with attention to detail.
- Quick learner with efficient working style.
- Flexibility to work outside rostered hours occasionally as required.
- Our menu is completely vegan and mostly gluten free so a strong understanding of allergens is important. Training will be given on the menu and allergens.

What we can provide:

- A great group of people to work alongside.
- Lovely customers (we have lots of great regular customers).
- Meal allowance and staff discount.

If you are interested, have the relevant experience and skill and you are eligible to work in the UK and can start in March, then please send your CV with a letter outlining why you'd like to work with us. We look forward to hearing from you!

Please address all correspondence to Becs: info@edencafe.kiwi

Note: We will only consider applications submitted as requested
(E.g. not via Facebook messenger please)
